

1. INTRODUCTION

God has spoken

The Bible is God's book that chronicles the story of the deliverer, Jesus.

Children learn through stories.

Let God speak through his word.

The whole picture is foundational before different topics can be fully understood.

Learning the Scripture in order and in its context

Another focus of this curriculum is its hands-on approach.

These lessons are not just ideas on paper.

2. USING THIS BOOK

A. Prayerfully prepare yourself

B. Read the Scripture
